Since 1990... The Leader in Quality, Productivity and Innovation

In 1990, the Min-U-Script® revolutionized the production and use of transcripts with the first condensed transcript and word indexing. For eighteen years, Min-U-Script has been acclaimed for its unequalled quality, productivity features and benefits for legal professionals.

And now, Min-U-Script Pro Version 3.0 delivers outstanding new features including:

- **Fast and Easy Exhibit Linking**
- **Electronic & Digital Signatures**
- **PDF Bundle of All Formats in One PDF File**
- **Casewide Word Lists**
- **And a whole lot more**

From condensed and full-sized format printing, both with word index options, to electronic delivery of enhanced PDF viewable, searchable and printable files using the industry standard Adobe PDF format, to automatic archiving, sorting, retrieving, reprint/emailing... *the best keeps getting better and provides a real alternative for court reporters... and their clients.*

Now, Min-U-Script Pro users can **add "marketing punch"** to every transcript delivered with customized title pages, CD menu, unique Min-U-Script Xpress™ viewer, all graphics-ready with links to your web site. ***Gain prominent recognition with every file they open!***

***Better yet... pricing as low as \$ 250per license!
No monthly fees and no per usage charges.***
