Min-U-Script TR
TRANSCRIPT REPOSITORY

INDIVIDUALLY OR TOGETHER, WE'RE SIMPLY THE BEST IN TRANSCRIPT PRODUCTION, DELIVERY & MANAGEMENT

Since 1990, the Min-U-Script has established a tradition of quality, productivity and innovation. Now, Min-U-Script continues its tradition with two outstanding releases... Min-U-Script Pro 4.0 and Min-U-Script TR Transcript Repository.

Min-U-Script Pro 4.0 delivers an outstanding group of new features designed to enhance productivity and provide a number of unique features aimed at marketing your firm and services. From case-wide batching of library files to CD or repository, advanced exhibit linking tools, expanded ASCII utilities including conversion of WordPerfect and Word files, to a seamless integration of transcript and exhibits into Lexis's TextMap® format and a customized marketing program from LexisNexis®, Min-U-Script 4.0 is proof-positive that the "best keeps getting better" for court reporters... and their clients.

Min-U-Script TR Transcript Repository provides a high level of security for your transcript/exhibit files and is designed to provide the "ultimate" in convenience and powerful features for your

clients... all aimed at increasing firm-wide and case-wide business. Min-U-Script TR offers fast and easy features for your production department and an auto-load of all file types individually or as a batch directly from Min-U-Script Pro. And, Min-U-Script TR offers customize marketing and branding features to further enhance your firms image.
